Time:

The court of Algiers has postponed legal proceedings against twelve presumed members of AQIM until January, after one of the accused who was released on bail failed to appear at the hearing. The accused are charged with supplying AQIM with weapons, munitions fuel, transport and food, thanks to the funds generated by the activities of illegal drug dealing. They are charged with membership of a terrorist organisation active in Algeria and abroad and illegal possession of weapons and munitions of war. They are also suspected to have been involved in plans to abduct foreign tourists in the southern Sahara regions and neighbouring countries. Other charges still being investigated is their involvement in several false road blocks in the southern regions were vehicles belonging to Foreign oil companies were stolen, and an ambush in 2006 which killed a number of Gendarmes in the region of El Golea.
