Boumerdes security situation.

Since the beginning of the year security forces have killed more than 15 terrorists and have successfully carried out a multitude of anti terrorist actions in the regions surrounding Boumerdes, security forces have also incurred several losses and wounded. The success of the military and joint security forces operations has been achieved due to the important number of joint forces deployed into the region and the support of artillery and helicopters. Security forces have managed to clear certain areas of well equipped and dangerous armed groups. Boumerdes remains one of the most terrorist active regions in the country.
